

Price list of products of the plant "Ecovice " LLC

Price on Solid polycarbonate

The product line of the plant "Ecovice" was expanded with monolithic polycarbonate. We guarantee the lowest possible price for a monolithic PC as well as consistently high quality with the addition of dense UV protection. Sheets are available in size 2.05 x 3.05 m, can be produced on an individual size under the order

Extra charge for color +5% of the basic price of polycarbonate

Sheet size: 2.1 m x 12m (25.2 sq. m.)

Solid polycarbonate Ecovice

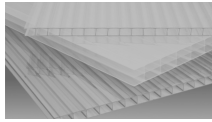

Monolithic polycarbonate of the Ecovice brand is dense and high - quality, with mandatory UV protection on both sides of the sheet. Universally suitable for all applications, including industrial glazing and thermal molding of any products. Possibility of manufacturing according to individual sizes

Brand	Sheet weight, kg	The density of kg/m	от 50 до 99 шт	от 100 до 249 шт	от 250 до 500 шт	от 500 до 1000 шт
ECOVICE , 2 mm	15	2.4	3900.00 RUB	3825.00 RUB	3750.00 RUB	3675.00 RUB
ECOVICE , 3 mm	22.5	3.6	5850.00 RUB	5737.50 RUB	5625.00 RUB	5512.50 RUB
